Re: United States v. Alex Germaine
16-mj-3198-KAR

Dear Honorable Magistrate Judge Robertson:

I am writing to alert the Court to a small error Special Agent Michael Morizio discovered this morning in his affidavit in support of the Criminal Complaint issued in this case. This affidavit was also an exhibit in the detention hearing conducted November 18, 2016 and November 21, 2016.

In paragraph 47 of the affidavit, Special Agent Morizio referenced a Kik account in the name of an adult female with the initials A.K. He went on to state that the forensic examination of the defendant's yellow iPhone showed that the e-mail address registered to the Kik account was alexgermaine33@gmail.com

In fact, the forensic examination shows that a different e-mail address is associated with the Kik account, alexgermaine53@gmail.com. The forensic examination of the yellow iPhone did show that the alexgermaine33@gmail.com address was used on the iPhone but that alexgermaine53@gmail.com was the address connected to the Kik account.

I apologize for this error.

Sincerely,

/s/ Alex J. Grant
